# Who is Bitcoin Bay?

We are the **first Bitcoin Meetup** to form a **501(c)3**. We serve the Tampa Bay community schools, businesses, and individuals by providing a trusted source of information and community.

**Since 2022 Bitcoin Bay** has hosted nearly **200 meetups across 3 cities** in Tampa, St Petersburg, and Sarasota, onboarded over 2 dozen businesses, and supported the **first Anti-CBDC bill in the US**.

# What is the Sound Money Soirée?

**The Sound Money Soirée** is The **Bitcoin Bay Foundation's** annual **charity gala**. Featuring local vendors, food, and culture. It is an evening of philanthropy and networking at the premier event in Bitcoin.

# Sponsorship Opportunities

We are seeking **corporate sponsors** to collaborate in funding the next year of Bitcoin education and adoption. Partnering with us offers unique opportunities to connect with a wide range of bitcoiners **across every aspect of the industry**.

Bitcoin Bay thrives through the support of our donors and sponsors. With your help, we can continue to build out the blueprint of creating a prosperous, resilient, community on a sound money standard.
